Osmosis

Isn't that cold?

The wall is right next to you...

Yep.

Hey...

You're always on that side.

My word ...!

I feel like I'd get trod on.

If I stayed on the railed side,

Pardon?

...that means I have to be over here.

...There's always an un-invited guest...

...

Well, the railed side is easier to get out from.

Really?

I'd never!

Do you mind if I take off my socks?

I'm starting to warm up.

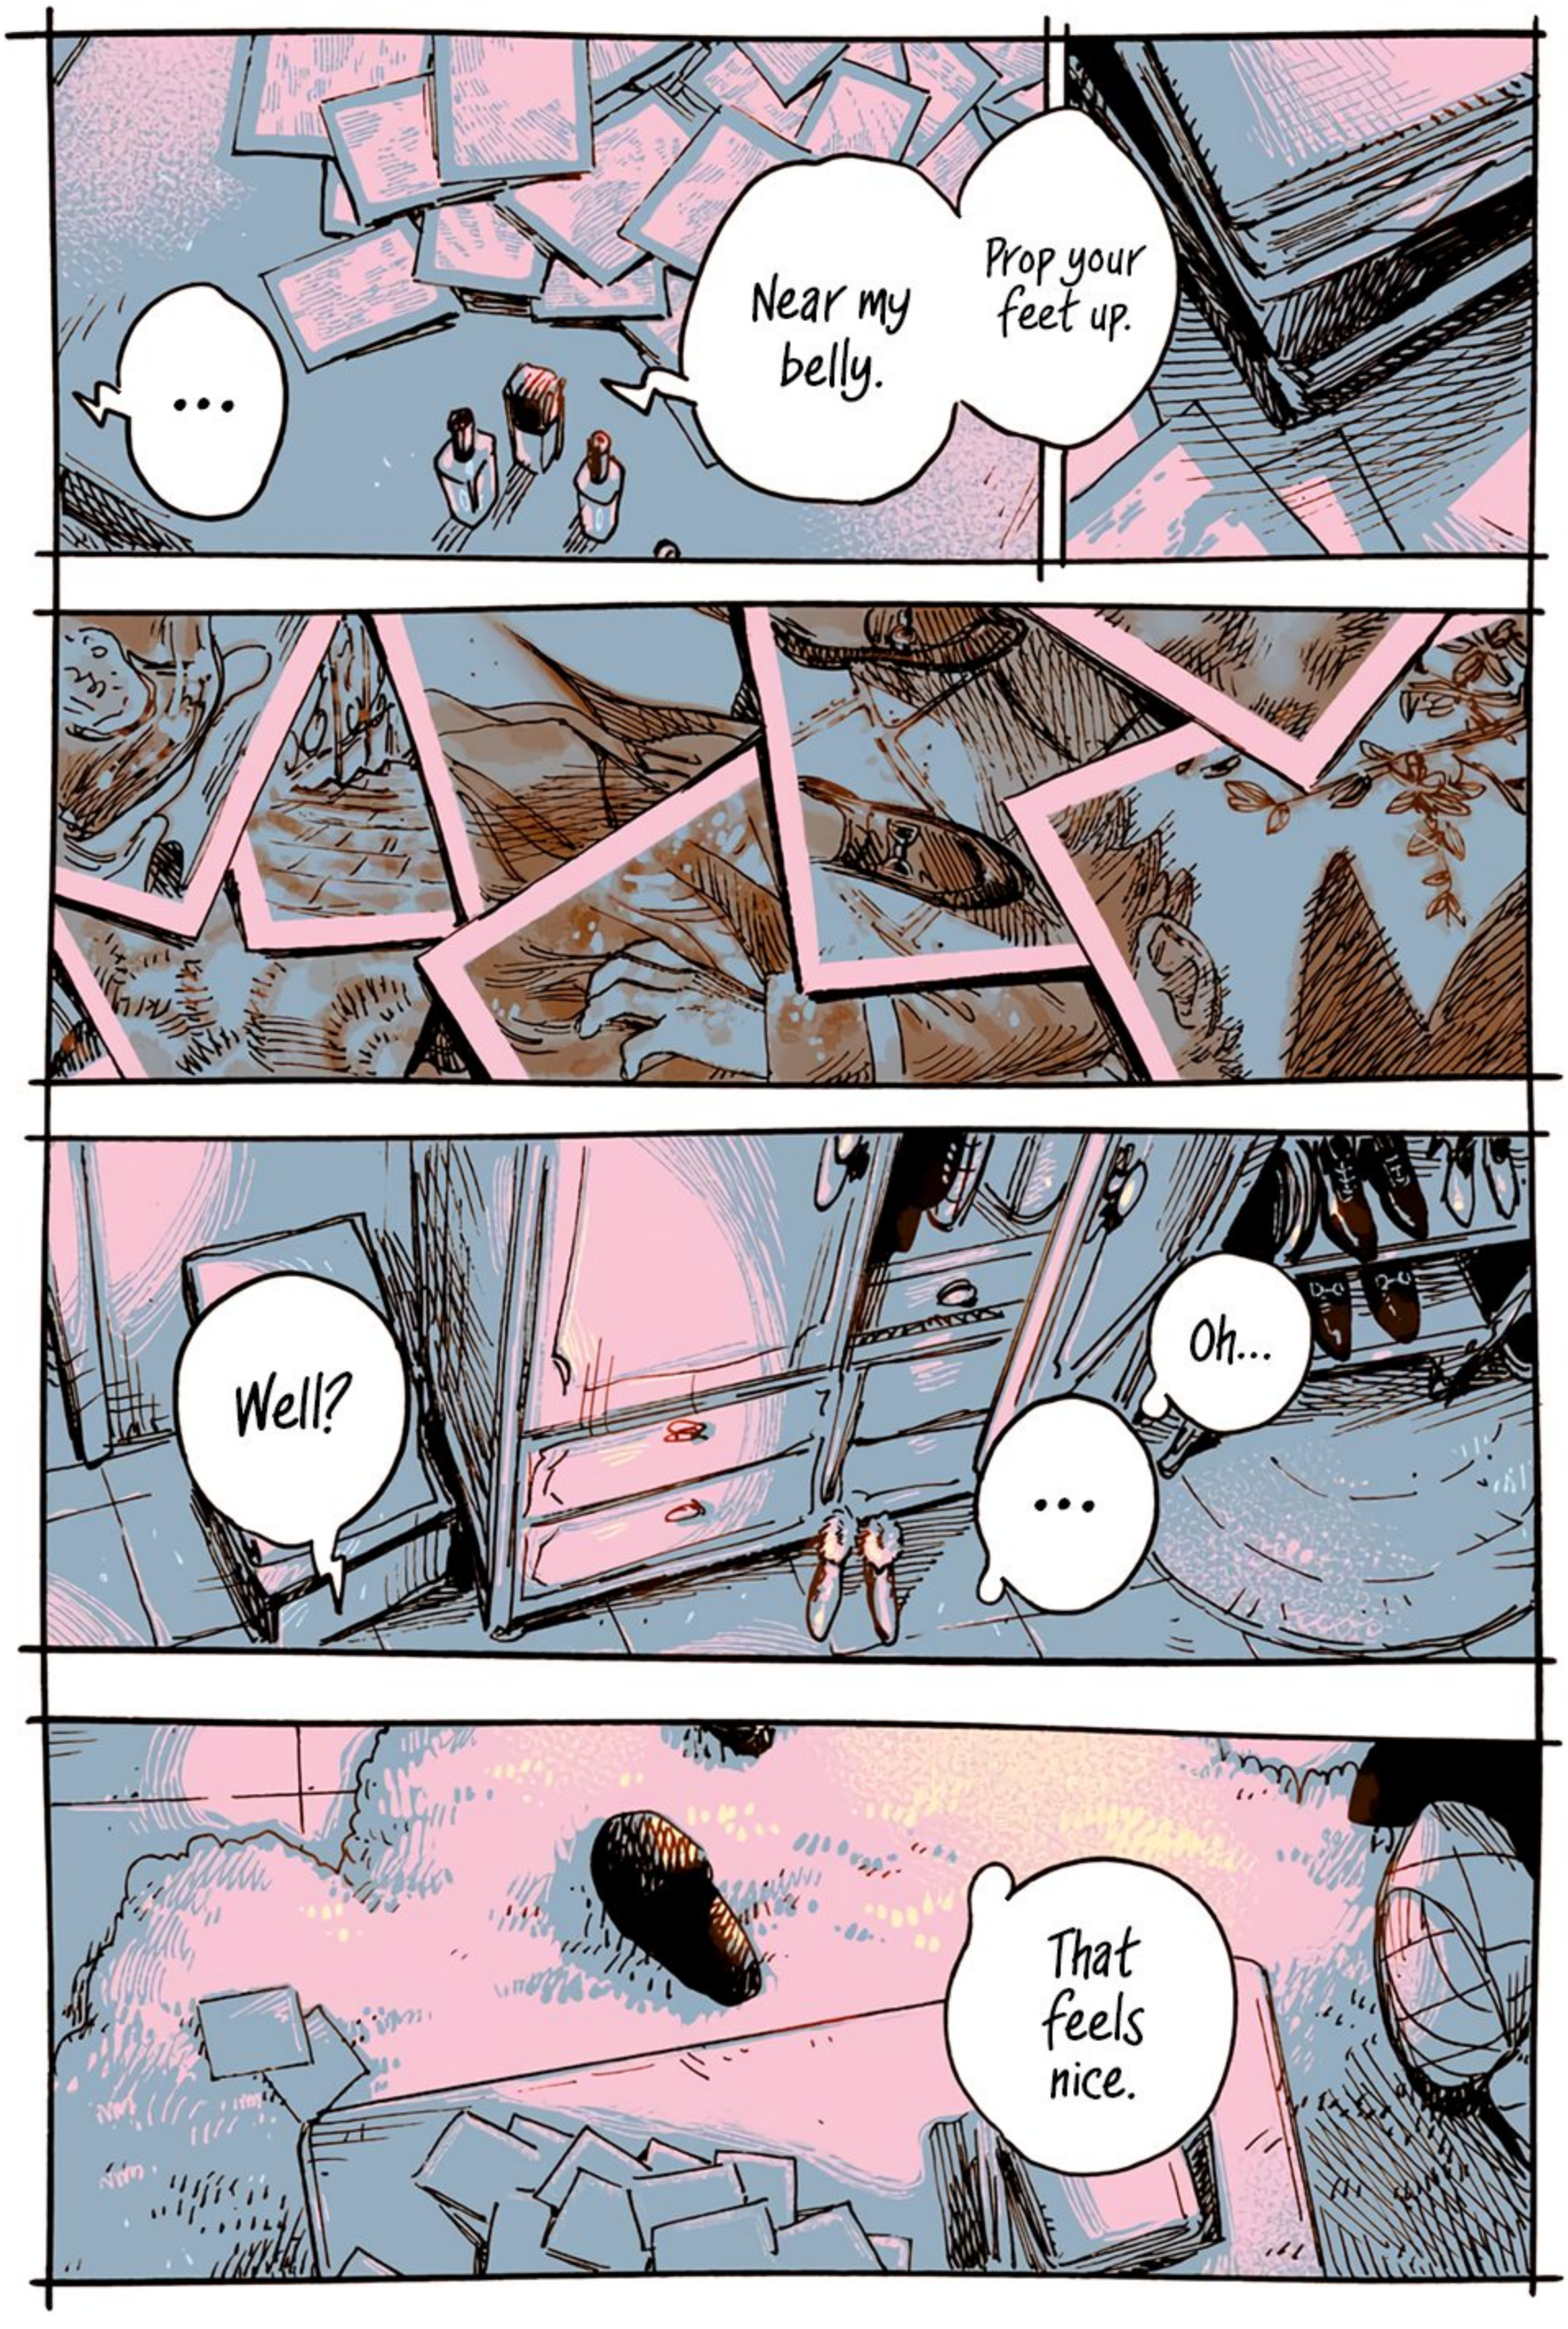
Go ahead.

Whoa, cold!

How are you *this* cold?

Maybe I'm the Ice Queen.

...



...
Near my belly.
Prop your feet up.
Well?
Oh...
...
That feels nice.

I certainly would,

seeing how warm you are.

You should be melting...

...were you really the Ice Queen...

I just remembered the quickest way to share warmth...

Yes...?

Skin to skin contact.

A book, you say...?

Oh myyy.

I read it in a book.

Eehee-heee...

Mhm...

Warm my right foot too, please.
